

## 靈實醫院探訪後記

感謝教職員中國舞蹈隊和合唱團，基督徒團契及各位同事的支持，教職員協會一行約 40 人（包括教職員、家屬、子女及學生），2 月 16 日（星期六）上午探訪靈實醫院，送上精彩的歌、舞及粵劇（馬盪子）表演，與愛心禮物（毛巾、揮春等），還有人見人愛的玫瑰小姐陪院友合照。有些院友不便到大堂看表演，部份同事親身到病房慰問及送上小魚禮物包。以下是一些當天的照片，今次義工活動十分流暢，院友的反應也很好。再次感謝每一位參予者在新春為弱勢社群送上歡笑，關懷與愛心。盼望末年有更多同事參予和支持這一年一度的義工活動！

Thanks to the support of the HKUST Staff Association Staff Chinese Dance team, the Staff Choir, the Christian Fellowship and colleagues, about 40 people (including staff, spouses and children, and two students) visited the Haven of Hope Hospital on 16 Feb. (Sat.) morning, with small gifts (face cloth and Fai Chun) and entertaining performances: Singing Cantonese, Mandarin as well as Japanese children songs, Chinese dance and Cantonese opera lance etc. Ms Rose from *ArtSpirit* again joined us, taking photos with the patients cheerfully. Some colleagues went into the wards to visit patients, expressing love and care.

This volunteer service was successful, and the patients were very happy. We would like to thank again all participants for bringing joy, love and care to the needy in the community. And we look forward to seeing you in our future annual visits after the Chinese New Year.
