Snapshots from SA Trip to Yimtint sai

With the nice weather on 28 Nov, more than 30 participants led by Prof. Cheung Siu Woo, discovered the beauty and cultural heritage of Yimtint sai together. The cultural gallery room, one of the tourist attractions we visited, was converted from a ruined school as initiated by Prof. Cheung in 2007. He mobilized more than 50 UST students to collect valuable historical and cultural items in the village and displayed them in the gallery room. It was re-opened to the public in 2015.

We also felt very gracious for meeting a UST student, Ken, who joined Prof. Cheung's university student docents training program, helping to introduce the salt field to visitors.

Snapshots from SA Women's Breast Care Workshop

On 30 Nov., about 30 colleagues joined the above Luchtime Workshop conducted by 8 volunteers from YWCA. We learned not only knowledge about breast cancer but also techniques for self-examination.

鹽田梓環島深度遊後記

11月28日風和日麗，三十多位參加者由張兆和教授帶領，一起發掘鹽田梓的美麗風貌及文化遺產。其中一站景點文物陳列室，原來是張教授於2007年動員50多位科大學生，收集村內有歷史文化價值的物品放置其中，於2015年整理後對外開放，實在很有意義。

當天我們還遇到一位參與張教授主持的大專學生導賞員訓練計劃的科大學生義工協助介紹鹽田，感覺份外親切。

乳房健康午間工作坊

11月30日約 30 名同事參加了由 8 名香港基督教女青年會義工舉辦的女性乳房健康工作坊。我們不僅增加了對乳癌的知識，還學習了自我檢查乳房的技巧。
