now SPORTS

*This offer is applicable to new Now TV customers subscribing to designated Super Sports Pack Plus Combo with a 24-month commitment period can enjoy 3-month fees waiver for free. Monthly fees waiver only applies on monthly fees of basic plan. Add-on channels/back and service surcharge not included. The monthly fees will be waived for designated months in the commitment period. New Now TV Customers of designated locations can enjoy 4K/HD connection service fee waiver (where applicable) for the Now H1 Smart Box (List price: \$49/month) during the commitment period and the one-off charge of \$980 4K installation charge. The 4K/HD connection service fee will be charged at the prevailing month to month rate after expiry of the Commitment Period. Now H1 Smart Box is only applicable to designated areas in Hong Kong. Customers who fail to install the Now H1 Smart Box will be replaced by other set top box, and the connection service depends on the coverage area. Terms and conditions apply. It requires network connections and compatible devices. Use of designated apps is subject to the user's subscription and their respective terms and conditions. Subject to Google Terms of Service, HD Connection Service is available to customers whose Now TV installation address falls within HD coverage. 4K Connection Service is available to customers whose Now TV installation address has HKT fiber network coverage and where the Now TV services can be connected to such fiber network. Please note that only certain channels and programs are available in 4K versions. Limited time offer. Terms and conditions apply. All program content and promotion may be subject to change from time to time, please contact Now TV sales staff for information on all the service plans and promotion details. Now TV is provided by PCCW Media Limited and available in designated areas only. Now TV is a registered trademark of the HKT Group. Now TV will broadcast all Premier League matches in Hong Kong exclusively on pay TV for the seasons of 2023/24 to 2024/25. All program content and matches are subject to cancellation and/or suspension by the rights holders and/or event organizers. Dates and times of all matches and sporting events may be subject to change from time to time so please refer to official announcements by the rights holders and event organizers for the latest information.

Your Navigation — NETVIGATOR

This is a limited time offer and is only available to designated consumer customers subscribing to designated NETVIGATOR broadband service with designated commitment period in designated residential areas. Each eligible customer (as counted by his/her service installation address) is entitled to this offer once only. Terms and conditions apply. We, Hong Kong Telecommunications (HKT) Limited, reserve the right to change or terminate this offer without prior notice. In case of any dispute of in relation to this offer, our decision shall be final. Please contact our salesperson for the details of this offer and our NETVIGATOR service. #Bandwidth Specification refers to network specification of the subscribed Services for the broadband line connected from the modem at your premises to the first piece of network equipment or central office of the NETVIGATOR. For 2500M Fiber-to-the-Home Broadband Service, bandwidth specification corresponds to a maximum downstream and upstream bandwidth of 2.5Gbps respectively. The actual speed you experience using the services will be less than the network specifications and affected by your device, technology, network and software used, network configuration and coverage, usage levels, international bandwidth and other extraneous factors. Direct connection from fiber modem to Internet devices equipped with 2.5Gbps WAN port is required.
