Upcoming Plan 未來之計劃

In addition to our ongoing efforts to organize annual events, we are exploring the establishment of a volunteer team to serve communities such as Sai Kung and Tseung Kwan O, while ensuring sustainable resources. We highly encourage all colleagues to actively participate in these initiatives.

本會在盡力保持每年都會舉辦的活動外,我們未來將研究如何在確保有可持續資源的前提下,成立一支義工小組,以服務西貢及將軍澳等社區。屆時務請各位同事踴躍參加。

The Challenge That We Face 本會面對的挑戰 ⁽¹⁾

In recent years, the increased turnover of staff has resulted in a decline in our membership. Old members have left due to retirement or job changes, and new colleagues often adopt a cautious attitude when considering joining us as members. The rising turnover has resulted in current members having to invest more time in training new colleagues, further burdening their already busy workload.

本近年來，因為學校員工的流動率上升，至使本會會員數量呈現下降的趨勢。舊有會員因退休或轉職而離開了，而新入職的同事往往對是否加入本會持觀望態度。同時，由於流動率的增加，現職同事不得不花更多時間培訓新進同事，使得本已繁忙的工作變得更加沉重。

The Challenge That We Face 本會面對的挑戰 (2)

As a result, many cabinet members feel challenged to allocate extra time for SA affairs or find themselves needing to sacrifice more personal and mealtimes to fulfil these responsibilities. Nevertheless, we, the cabinet members, commit to serving all members to the best of our abilities over the next two years. We also hope to receive increased administrative and financial support from the University's senior administration.

因此，許多內閣成員對於要抽出工餘時間來執行會務感到無力，或迫使他們要拿出更多的私人及用餐時間去照顧會務。儘管如此，我們一眾內閣會員承諾在未來兩年仍會盡最大努力為各會員提供服務。本會亦希望未來可以得到校方在行政及資金上的更多支援。

Join Us 加入我們

Lastly, I would like to take this opportunity to invite colleagues who are interested in supporting fellow members to join our cabinet. If you are interested, please contact us.

最後，我想趁此機會邀請有意服務其他會員的同事加入我們的內閣行列。如有興趣，請聯絡我們。
