

SA Yoga Class

This class is taught by Melissa Megan. Melissa is Yoga Alliance qualified instructor. She has completed 200 hours of basic teacher training. She has also completed training in Restorative Yoga and Pranayama (breathing).

Melissa's classes are a combination of Vinyasa and Yin/Restorative Yoga. Vinyasa is a style of Yoga that links movement to breath and can be quite dynamic. Yin Yoga is slower-paced and involves holding poses for longer to stimulate what are known as the 'meridians' in Chinese medicine. Most sessions will be approximately half gentle stretching and relaxation, and half faster-paced and more invigorating. All classes will have an emphasis on building strength and increasing flexibility and movement. During sessions, you will find your own calm and clarity; you will unwind and destress.
